EAR CLEANER:

- 16 oz Witch Hazel or Rubbing Alcohol
- 4 Tablespoons Boric Acid Powder or Crystals
- 16 drops of Gentian Violet 1% solution or 8 drops of Gentian Violet 2% solution

- Pour out a little of the Rubbing Alcohol into a cup and save.
- Add the Boric Acid Powder.
- Add the Gentian Violet and shake well.
- Add the saved Rubbing Alcohol back into the bottle and shake well again.

- To use: pour some of the mixture into a dispenser type small bottle. Shake well before using.

- use 2 times a day for a week
- then 1 time a day for a week
- then 1 time a week

Those of you with white PWDS be careful with the mixture and it does stain. Also, make sure that you put it in the ears and rub the outside of the ear well.
